

T-MOBILE MULTILINE IN ACTION

Compliant communications for government and education

The solution to meeting communication requirements when employers use personal devices.

T-Mobile MultiLine is a dedicated call and messaging app that meets electronic communication requirements.

See how employees across government agencies and school districts benefit from T-Mobile MultiLine.

T-MOBILE MULTILINE FOR GOVERNMENT

T-MOBILE MULTILINE FOR EDUCATION

IT Specialist

Tyler onboards new employees on Mondays.

Within minutes, he can ensure T-Mobile MultiLine is downloaded on everyone's mobile devices regardless of the carrier.

- Integrate with MDM, CRM, and archival tools
- Streamlined user enrollment
- Visibility through usage and compliance analytics

Superintendent

Bridgette needs to stay in close contact with leaders across the school district.

T-Mobile MultiLine helps her direct reports communicate securely and set up schools for success.

- Consolidate messaging apps
- Archive phone calls and text messages
- Automate consent capture

Compliance Manager

Constance is tasked with auditing the latest communications on a bidding contract.

With T-Mobile MultiLine, she can access all messaging and call transcripts from her colleagues within the bidding dates.

- Consent capture and electronic recording
- Real-time redaction of sensitive information

Systems Administrator

Richard helps district employees, staff, and administrators install software applications.

He can quickly install T-Mobile MultiLine on any mobile device and freely reassign users via the analytics dashboard.

- Streamline user enrollment
- Visibility through usage and compliance analytics

Contracting Officer

Larry needs to keep his contracts on schedule.

Messaging and calling features from T-Mobile MultiLine allow him to communicate freely with vendors without risking compliance.

- Secure text and call options for clients and colleagues

Seventh Grade Teacher

Sasha likes to address student or parent questions promptly.

She schedules her office hours using T-Mobile MultiLine and provides updates to students or parents who opt in with consent.

- Set office hours
- Provide a dedicated professional channel
- Meet education electronic communication requirements (TCPA)

Let's work together to tailor T-Mobile MultiLine to your agency or district needs.
